Dear Sir/Madam,

I refer to the request for planning permission for the above development, details of which were received by the Irish Aviation Authority from the Council.

In regard to the Proposed Development - Application to An Bord Pleanála for Gortyrhillly Wind Farm, Co. Kerry. The Authority makes the following observation:-

The applicant should be required to engage with Kerry Airport to conduct a preliminary screening assessment in relation to the potential impact on instrument flight procedures or any communication, navigation and surveillance equipment at Kerry Airport.

'In the event of planning consent being granted, the applicant should be conditioned to contact the Irish Aviation Authority to: (1) agree an aeronautical obstacle warning light scheme for the wind farm development, (2) provide as-constructed coordinates in WGS84

format together with ground and tip height elevations at each wind turbine location and (3) notify the Authority of intention to commence crane operations with at least 30 days prior notification of their erection.

Yours sincerely,

P. P. O'Leary
