Dear Ms Reilly

I refer to our letter dated 21 October 2024 to which we do not appear to have had a response. Please note that our client intends to –

1. Make the submissions received available for public inspection on its dedicated Railway Order site on <https://www.metrolink.ie/> from next week. As outlined in our letter, our client will create a new folder labelled “Submissions received during the Second Round of Public Consultation”.
2. Please note that our client proposes to redact the copy submissions to remove certain personal data from them.

As requested in our letter, if the Board requires anything further from TII in respect of public inspection, please let us know.

Yours sincerely
Alan Roberts
