Dear An Bord Pleanála

Thank you for letter dated 18 October 2024 and the enclosed USB, containing the 41 submissions received by the Board during the Second Round of Public Consultation.

As requested, we will ensure that these submissions are available for public inspection. We propose to do so via our dedicated Railway Order site on <https://www.metrolink.ie/>. We will create a new folder (below “Oral Hearing Documents for Second Round of Public Consultation”) labelled “Submissions received during the Second Round of Public Consultation” to ensure the public can access these. Please confirm that nothing further is required from TII in respect of public inspection.

We note that these submissions will also be available for inspection in hard copy at the Board's office.

Yours faithfully
