Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

Re: Railway (Metrolink - Estuary to Charlemont via Dublin Airport) Order [2022]

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer further to the above-mentioned case and the recent oral hearing held.

Please note that the Board subsequently issued a letter, on the 26th April 2024, to Transport Infrastructure Ireland (TII) in accordance with section 37 of the Transport (Railway Infrastructure) Act, 2001, as amended, requesting further information in relation to any modifications proposed to the Draft Order Book of Reference, to include an updated Book of Reference and associated property drawings be submitted to the Board. (A copy of the Board's letter to TII is enclosed.)

TII responded to this further information request by submitting updated Book of Reference on 12th June 2024.

Following on from the above, the Board has recently issued a further letter, on the 1st July 2024, in accordance with section 47D(1)(b) of the Transport (Railway Infrastructure) Act 2001, as amended, to TII, requesting them to make all additional information relating to the application (the oral hearing documentation and the further information as submitted to the Board) available for inspection and to invite further submissions or observations to be made to the Board, during a specified time period, by way of public notice. The Board's letter to TII also requests that TII send notice to any planning authority in whose functional area (or any part thereof) the proposed railway works are proposed to be carried out and any designated bodies served with the original application documentation, and advising that written submissions/observations in relation to the information can be made to the Board during a time period which must be specified in the notice. TII have been requested to respond to the Board by the 22nd July, 2024. (A copy of the Board's letter to TII is enclosed.)

The further information and the oral hearing documentation can be viewed on the TII's standalone website at www.metrolinkro.ie.
