Memorandum ABP-314724-22

To: Paul Caprani, ADP
From: Niall Haverty, SPI
Re: Metrolink: Fingal County Council Submission
Date: 26th April 2023
cc: Marcella Doyle, SAO

The Board issued letters to Fingal County Council (FCC) and Dublin City Council (DCC), dated 5th October 2022, requesting that they make a submission in respect of the abovementioned case.

The letters specified the matters that were to be addressed in the Planning Authorities submissions and asked that they be submitted within the specified time period.

While a submission was received from DCC, no submission was received from FCC during the appropriate period or following the re-advertisement of the application.

I therefore recommend, in accordance with section 47D(1)(a) of the Transport (Railway Infrastructure) Act 2001, as amended, that the Board write to FCC, requesting that they make a submission addressing the matters raised in our abovementioned letter within a period of 6 weeks.

Please let me know if you agree with my recommendation and I will ask the case officer to issue a letter.
