Dear Sir/Madam

Re: Module 2 - ABP-314724: Metrolink Oral Hearing, Gresham Hotel. Response to TII comments.

Response to TII Comments

This submission by LIDL Ireland GmbH is made in response to the items contained in "TII Response to Submissions No.s 141-320, plus Fingal County Council Submission (Section 5.2, Part 2 and 2)". The relevant submission number is 169.

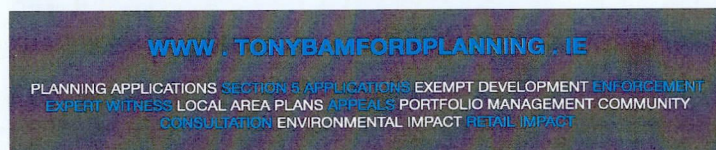

The central theme of Lidl's submission on 23 November 2022 sought an emphasis on "over station" development and provision for same at Lidl's Northwood site. This requires consideration to be given to various technical matters which are addressed herein in response to the comments by TII.

Attached is a spreadsheet setting out the TII responses (1-9) with the relevant comments from Lidl's various experts, supplemented by individual statements. Item 10 was addressed in Module 1.
