Compliance Status

These documents are **fully compliant** with Web Content Accessibility Guidelines 2.1 Level AA.

Transport Infrastructure Ireland is committed to providing digital documents that are accessible to the widest possible audience, regardless of technology or ability. We are currently working with IA Labs and Vision Ireland to ensure we meet accessibility standards. We are continually improving the user experience for everyone and adhering to the required accessibility standards.

The Web Content Accessibility Guidelines (WCAG 2.1) defines requirements for designers and developers to improve accessibility for people with disabilities.

Accessibility Features of these Documents

Screen reader navigation – has been implemented across the documents to assist users who navigate digital documents using assistive technologies.

Accessible images – to inform users using assistive technologies about an image's contents.

Accessible tables – have correct labels.

Useful, descriptive link text – to inform users where links will bring them.

Correctly structured content with good heading usage – to increase readability and assist users using screen readers or other assistive technologies.

Cross operating system compatibility and mobile navigation – to ensure consistency in layout and navigation across all devices and operating systems.

Document accessibility – has been implemented. If you require a different document format, please contact us using the email at the end of this statement.

Non-accessible Content

All content in the named documents conform to WCAG 2.1 AA standards.

Preparation of this Accessibility Statement

The Statement was prepared by **IA Labs** where **IA Labs** performed a blend of manual and automated accessibility tests using multiple tools (JAWS, NVDA, VoiceOver). A detailed issue log was created to measure against WCAG 2.1 standards. These issues were amended by IA Labs who are bringing the documents in to WCAG 2.1 AA compliance.

This statement was **created** by IA Labs in March 2024.

The statement was **last reviewed** in March 2024.

Feedback and Contact Information

We welcome feedback on the accessibility of these documents. If you have any comments or find any problems not listed on this page, please contact [tii to enter email]

Enforcement Procedure

If you are not happy with our response or if you want to raise an accessibility issue that is not related to these documents, you can ask the Ombudsman to look into it. Contact the office of the Ombudsman or read guidance on how to make a complaint.

WCAG 2.1 Accessibility Auditing Service

If you would like your website, application or digital documents reviewed and tested against the WCAG 2.1 standards, please contact the IA Labs team at hello@ialabs.ie.
