Metrolink Plan – Glasnevin to Griffith Park.

Impact on 7 Fairfield Road, Glasnevin, Dublin 9.

Dear Sir/Madam,

I refer to the above and confirm I am the owner and occupier of the above property.

I wish to object to the tunnel going underground under my property on the following grounds:

- Trespass into the subsoil under my property
- Concern regarding the depth below ground level of the tunnel
- Significant and substantial vibration during construction
- Danger of collapse as a result of excavation
- Drainage/flood risk, smells and odours.
- Noise disturbance.
- Impact on the environment and the heritage of my property which is over 100 years old.
- Area is quiet adequately serviced by public transport.
- Substantial damage to the foundations of my property.
- Concerns with regard to boring and drilling and the impact on my property with a danger of collapse as a result of excavations.

I reserve the right to submit further objections and I will be claiming substantial damages in respect of devaluations to my property.

Please advise of the protection you have put in place to compensate and protect my position

I wish to record there was no consultation with me regarding the rerouting of the Tunnel which shows lack of respect on your part.

Yours sincerely,

Deirdre Vaughan
