Ref: Intended application by the NRA (operating as Transport Infrastructure Ireland) for the Railway (MetroLink-Estuary to Charlemont via Dublin Airport) Order (2022)

Dear Sir/ Madam

We wish to confirm that we are the owners of 1-1A St.Mobhi Road Glasnevin (Location Plan ref ML4H-U3) and we have received an information pack from Transport Infrastructure Ireland (TII) in relation to their application for the above referenced Metrolink.

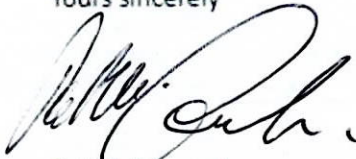

Their application includes the acquisition of subtratum land beneath our property.

While we fully support the proposed Metrolink we have concerns in relation to the potential structural damage that might occur to our property during the construction stage.

We would therefore request that TII indemnify us against any structural damage or any loss of rental income that is caused as a direct result of this development being approved and going ahead.

If TII are not willing to give this undertaking then we object to the project.

Yours sincerely

Pat McCormack
