Thank you for your invitation to make a response to the relevant submission from Wild Ireland Defence and related response on behalf of TII.

Dublin Town believes that Metro Link is an essential piece of transport infrastructure which must be constructed without delay.

We note, the detailed response prepared by Jacobs on behalf of TII. We believe that the relevant issues of biodiversity and the natural environment have been adequately considered in the Appropriate Assessment.

We trust that the Railway Procurement Order will be issued and construction on this vital piece of infrastructure commences soon.

Yours faithfully
