Dear Pauline

The letter received from you stating that your clients objections have been addressed with TII and that your clients are now in support of the railway order is on the Board's file. Please note, however, that the original objections made by your clients remain on file and will be considered by the Inspector and by the Board in making its decision unless they are withdrawn. If these objections are not withdrawn, they will still be considered as your clients objections.

Kind regards

Eimear

Dear Eimear,

You might confirm that our letter to An Bord Pleanála confirming that all our objections have been addressed is on the file. If it is, we can leave our objections on the file along with the letter confirming they've been addressed.

Kind regards,

Pauline

Good afternoon Pauline

Further to our phone conversation on Tuesday 23<sup>rd</sup> April 2024, please note that I am in receipt of your letter to An Bord Pleanála dated 12<sup>th</sup> March 2024 and note that your clients, stated above, confirm their support for the Metrolink application which is currently before the Board.

As stated to you by phone, the Board requires you to confirm whether your clients wish to withdraw their original submissions by return email. A response to this is urgently required.

Kind regards
