Re: ABP-315157-22 - Proposed Wind Energy development of Garryhinch Windfarm at Garryhinch Bog and Garrymore Bog, Co. Offaly and Co. Laois.

Dear Ellen,

Fehily Timoney and Company, on behalf of Bord na Mona Powergen Limited, can confirm that a SID application for the abovementioned proposed development will be made to An Bord Pleanála in due course.

Environmental surveys and landowner engagement are ongoing to inform the EIAR and SID application.

We would be grateful if the pre-application consultation process could remain open at this time.

It is intended to provide the Board with an update on the proposed development in the near future following close out of landowner agreements.

Yours sincerely,

Rita Mansfield
for and on behalf of **Fehily Timoney and Company**
