From: Garry Dorgan, Executive Officer

Re: ABP-315173-22

Date: 8th December, 2022

On 23rd November, 2022, the Board received a 3rd party appeal from Sustainability 2050 against Meath County Council's decision reg.ref: 22331 to grant permission for the construction of a rockfill and earthen reinforcement buttress to sections of the extant embankment wall of the Tailings Storage Facility at Randalstown, Simonstown and Sillogue, Navan, Co. Meath.

On 24th November, 2022, the appeal was circulated to the planning authority and the applicant (Boliden Tara Mines DAC). The last date for response to the appeal is 21st December, 2022. No response has been received to date.

The last date for observations is 20th December, 2022. No observations have been received to date.

The proposed development relates to an activity covered by the Company's Industrial Emissions Licence Ref No. P0516-04. Environmental Protection Agency have submitted observations at planning stage. Senior Executive Officer to advise whether to invite Environmental Protection Agency for comment.

Agreed letter to issue.

NIS

A Natura Impact Statement was received with the application. A revised Natura Impact Statement was also submitted as part of the further information response. Please find attached NIS recommendation form (light green) to be completed by inspectorate.

File herewith for comments.
