Subject: RE: ABP-316025-23 - Application Documents for Website

Hi Kevin,

Many thanks for the email. The documents you have mentioned below are available (since the project was submitted on 10th March) on the project planning website here:

<https://cloghercorwindfarmplanning.com>

Under the heading of "Planning", there is a planning application form pdf, in which there are a number of addendums as follows:

1. Schedule of Drawings (which includes a confirmation of appropriate drawing scales)
2. Landowner letters of consents
3. Consultation (which includes a schedule of consultation and the SID Determination letter)
4. Schedule of prescribed bodies (which includes the letters to each of the prescribed bodies)
5. EIA Portal Confirmation
6. Proof of Payment

The Schedule of Mitigation Measures has also been available under the "Environmental Impact Assessment Report" heading. We will now upload the duplicated version of this under the "Planning" heading as the Standalone Schedule of Mitigation Measures to match the physically submitted documents. For clarity, the content of the document is identical to the EIAR chapter with the addition of a cover page to state that it is extracted from the EIAR.

I hope the above is clear, but please feel free to let me know if you have any queries.

Kind regards,

John

Hi John,

Can you please upload all the documentation submitted with this application to the website.

I can see a few items are not on the website such as letters to prescribed bodies, landowner consent letters and Mitigation Measures.

It is a requirement that the standalone website is a mirror image of the application documents lodged with the Board.

Regards,

Kevin
