Subject: FW: Query on Submission for DART + South West (ABP Ref 316119-23)

Hi Christine

The below is a query from the applicant for Dart South West regarding 3 submissions.

Christine, could you look into the first 2? The 2nd one definitely looks like it was cut off.

Shaun, I can see by the emails in the scan of the SDCC submission that you were their contact for this. I think you have the 2 attachments that are missing?

Could you let me know how you both get on and I'll get back to Conall.

Thanks

Eimear
