Re: DART+ South West Electrified Heavy Railway Order - Hazelhatch & Celbridge Station to Heuston Station, and Hesuton Station to Glasnevin
County Dublin and County Kildare

Dear Sir / Madam,

An Bord Pleanála has received your recent submission in relation to the above-mentioned proposed Railway Order and will take it into consideration in its determination of the matter.

The Board will revert to you in due course with regard to the matter.

Please be advised that copies of all submissions/observations received in relation to the application will be made available for public inspection at the offices of the relevant County Council(s) and at the offices of An Bord Pleanála when they have been processed by the Board.

More detailed information in relation to strategic infrastructure development can be viewed on the Board's website: www.pleanala.ie.

If you have any queries in the meantime, please contact the undersigned. Please quote the above mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Eimear Reilly
Executive Officer

Subject: Observation to Bord Ref No. 316119 - Dart+South West Railway Order

Dear Sir/ Madam,

Please find attached an Observation to the Proposed Dart+ South West Project, Bord Ref. 316119.

Please note that our client's lands are proposed to be acquired under the Draft Railway Order and therefore a fee is not required to be paid by our client.

I trust the enclosed is in order and look forward to confirmation of receipt of this observation.

Kind regards

John Murphy

15th May 2023

SUBMISSION TO DART + SOUTH WEST ELECTRIFIED RAILWAY ORDER 2023

BORD REF. NA06S.316119

RE: DART + SOUTH WEST ELECTRIFIED RAILWAY ORDER 2023

APPLICANT: CORAS IOMPAIR EIREANN

Dear Sir/ Madam,

On behalf of Airscape Ltd and related entities of Greenseed Ltd., Greenmarble Ltd., Marbelgate Limited, and Clarksville Ltd., all with an address at Harcourt House, Harcourt Street, Dublin 2, we have been instructed to make the following submission to the proposed Railway Order for the Dart + South West Electrified Heavy Railway (Bord Ref. NA06S.316119).

As our client's lands are proposed to be acquired under the draft Railway Order, the statutory fee is not payable by our client.

By letter dated 16th March 2023, our client received notification of proposed Railway Order works in respect of lands at Park West Business and Industrial Park, Park West, Dublin 10 (also Dublin 12). The effected plots are identified, from west to east, as follows: -

1. Park West Avenue & Park West Road – "Directional Drilling, Compound Works & Access Route"
 - 18830.T.9 (F) (temporary)
 - 18830.T.9 (J) (temporary)
2. Park West Avenue, Park West Road & Friel Avenue – "Haul Routes"
 - 18830.T.9 (O) (temporary)
 - 18830.T.9 (P) (temporary)
 - 18830.T.9 (Q) (temporary)
 - 18830.T.9 (R) (temporary)
 - 18830.T.9 (S) (temporary)
 - 18830.T.9 (T) (temporary)
 - 18830.T.9 (U) (temporary)

3. West of Friel Avenue – “Satellite Compound”
 - 18831.T.9 (A) (temporary)
 - 18831.T.9 (B) (temporary)
4. North and East of Friel Avenue – “Main Project Construction Compound”
 - 18831.T.9 (D) (temporary)
 - 18831.T.9 (E) (temporary)
 - 18831.T.9 (G) (temporary)
 - 18831.T.9 (K) (temporary)
5. West of Le Frau Bridge – “Substratum land required and retaining wall anchors”
 - 18831.S.9 (C) (permanent)
 - 18831.S.9 (I) (permanent)
 - 18831.S.9 (N) (permanent)
6. Le Frau Road/ Killen Road – “Road Works”
 - 18831.T.9 (L) (Temporary)
 - 18831.T.9 (M) (Temporary)

Attachment A contains a copy of the Server Plan Drawings issued to our client relating to Park West Business and Industrial Park.

SUBMISSION TO PROPOSED RAILWAY ORDER

1. Lands East of Park West Avenue & North of Park West Road – Proposed “Directional Drilling, Compound Works & Access Route”

Plots 18830.T.9 (F) (temporary) and 18830.T.9 (J) (temporary) are located to the east of Park West Avenue, north of the Park West Road and south of the railway line. These plots comprise part of a larger development site which also accommodates the Aspect Hotel. The lands are identified as “Site 6” within the *Park West and Cherry Orchard Local Area Plan 2019*.

Our client, through Greenseed Ltd., has secured permission for a Strategic Housing Development (Reg. Ref. ABP-312290-21) on the lands at Park West Avenue and Park West Road and intends commencing that development later this year. The construction programme for that project will coincide with the predicted construction programme for Dart + South West from 2025 – 2029. On that basis, the lands at Park West Avenue and Park West Road are not available for use during the construction phase of the Dart + South West project.

2. Roads at Park West Avenue, Park West Road & Friel Avenue – Proposed “Haul Routes”

Plots 18830.T.9 (O), (P), (Q), (R), (S), (T) and (U) comprise the existing roads at Park West Avenue, Park West Road and Friel Avenue within the Park West Industrial and Business Parks. These roads form the central spine roads through Park West linking the Kileen Road to the east with Ninth Lock Road and Cloverhill Road to the west and north west respectively.

As part of the Dart + South West project it is proposed that these roads will be used as haul routes to serve the works to the railway line.

Our client has concerns regarding the proposed haul routes on the basis that the operation of these routes has the potential to disrupt and inconvenience residents, tenants and employees accessing Park West residential areas and Park West Business and Industrial Park and thereby adversely affect the residential amenity and trading capacity within Park West. Our client has confirmed that the taking over existing roads is not feasible on the basis that access to these roads is legally required in covenants between our client and existing tenants.

3. Lands West of Friel Avenue – Proposed “Satellite Compound”

This area of lands comprises a rectangular site located north west of Friel Avenue and east of Lavery Avenue. There are no existing buildings on the lands however the lands are frequently used by the neighbouring business as a temporary overflow storage area.

The proposed Railway Order indicates that these lands are proposed to be utilised as a satellite compound for the duration of the Dart + South West project. Our client is concerned that these lands will be unavailable for some or all of the period of the construction of the Dart + South West project which will adversely impact the operations of existing tenants within Park West Industrial Park. On that basis, the lands are not available for use as a compound.

4. Lands North and East of Friel Avenue – Proposed “Main Project Construction Compound”

The plots listed as 18831.T.9 (D), (E), 18831.T.9 (G) and 18831.T.9 (K) are located to the north and east of Friel Avenue, south of the railway line and west of Le Frau Road/ Kileen Road. It is proposed that these lands will function as the Main Project Construction Compound and on this basis, it is assumed that these lands will be occupied from the very beginning of the project in 2025 until 2029, a period of 4 to 5 years.

The lands identified for the use as the main construction compound are currently in use as temporary storage areas for tenants within Park West Industrial Park. Our client's tenants rely on these areas to provide additional overflow parking and storage. The proposal that effectively results in these lands

being out of commission for 4 to 5 years is a very serious concern for our client and their tenants. On that basis, the lands are not available for use as the main project construction compound.

5. Lands West of Le Frau Bridge – Proposed “Substratum land required and retaining wall anchors”

The lands identified within plots 18831.S.9 (C), (I) and (N) are located adjoining the railway line, to the north of Friel Avenue and west of Le Frau Bridge. It is proposed that these lands will be acquired permanently to accommodate substratum works and retaining wall anchors associated within the construction of the electrification project.

The lands contained within plots 18831.S.9 (C) and (I) comprise lands currently in use by tenants within the of Park West Industrial Park. These lands are used for storage and the parking of vehicles. Further details are required with regard to the impact of the proposed works on the lands at this location.

6. Roads at Le Frau Road and Killen Road – Proposed “Road Works”

The proposed works at plots 18831.T.9 (L) and (M) comprises works to the existing road at Le Frau Road and Killen Road. Further details are required with regard to the nature and timing of the proposed works and our client would welcome receipt of this detail.

Co-ordination with Wider ESB Proposal for 38kV Overhead Powerline

The proposed Dart+ South West includes a proposal to divert a section of the existing 38kV overhead powerline to the west of Kileen Road on the southern edge of the railway line to facilitate track widening. Our client is also aware of proposals by the ESB to underground a section of the existing 38kV overhead powerline to the east of the Park West Avenue bridge. It is our client’s submission that the works to the 38kV overhead powerlines with Park West should be co-ordinated between the ESB and CIE to provide a comprehensive proposal for undergrounding of these powerlines. The proposed new routes need to be identified to allow our client access the possible impact to existing private roads and open space areas.

CONCLUSION

Our client has concerns regarding the permanent and temporary acquisitions of the above listed lands at Park West Business and Industrial Park on the basis that they have the potential to adversely impact the operation and trading capacity of the existing businesses within Park West. The proposed acquisitions will also adversely impact the implementation of a permitted Strategic Housing Development (Reg. Ref. ABP-312290-21).

It is also our client's submission that the works to the 38kV overhead powerlines with Park West should be co-ordinated between the ESB and CIE to provide a comprehensive proposal for undergrounding of these powerlines.

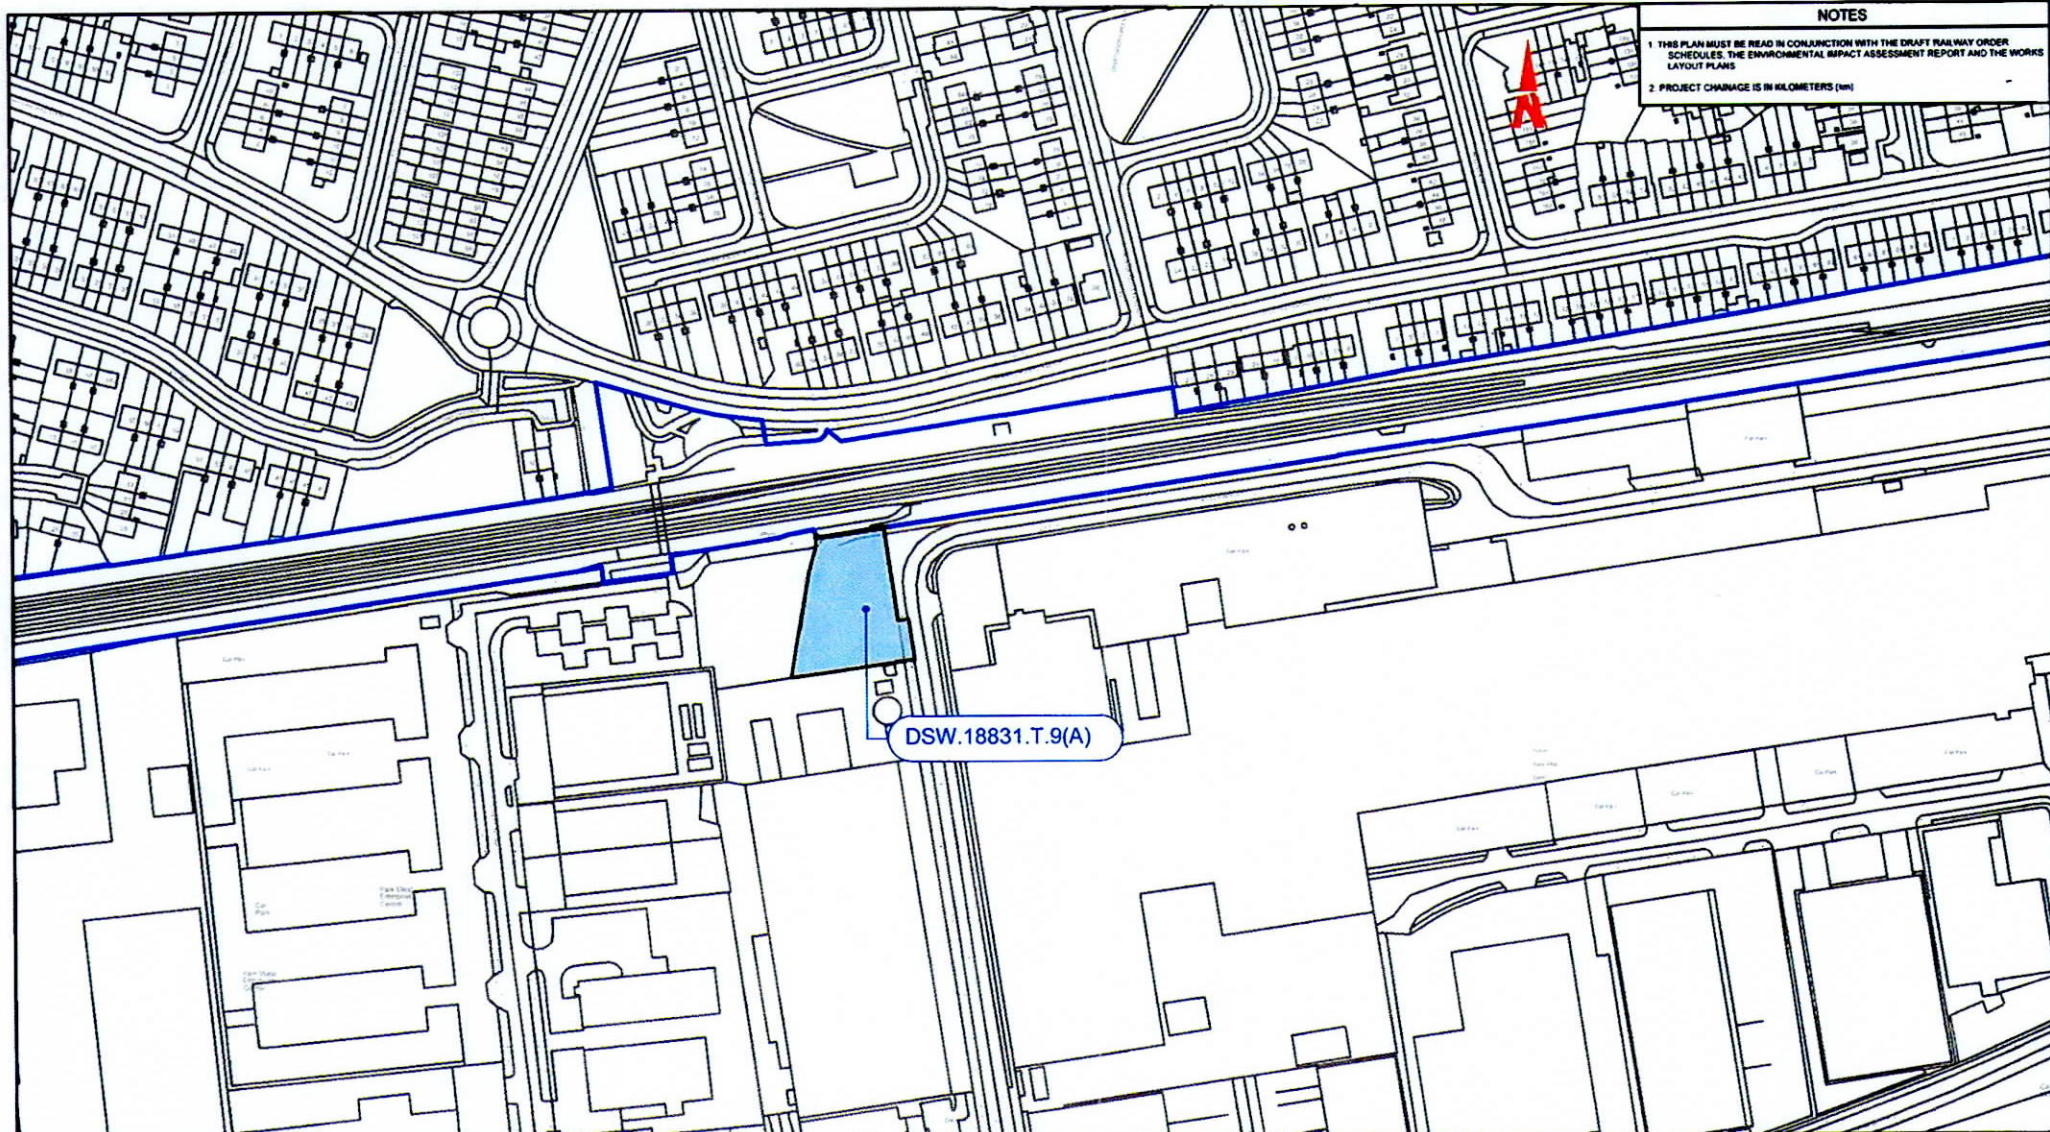

We trust our clients' concerns will be taken in consideration by An Bord Pleanala in the assessment of the proposed Railway Order for the Dart + South West Project.

Please keep us informed of the progress in relation to the proposed Railway Order.

Yours sincerely,

BMA Planning
