Subject: Dart and Southwest Project

Dear Sir/Madam,

I wish to make a submission as my apartment was referenced in the info pack sent out to my home in 61 block C in Seven Oaks on Sarsfield Road, Ballyfermot Dublin 10.

My apartment is on the ground floor with both bedrooms facing the tracks.

It is already impossible to sleep on nights there is track maintenance work being carried out with the noise as they use heavy machinery, i.e jackhammers. This goes on all night. I am extremely concerned about the ongoing issue of noise not only for the duration of the works being carried out but then there will be even more noise pollution on a permanent basis.

What can be done to offset this problem?

Kind regards,

Alicia Doyle
(Owner/Occupier)
