**Re:** DART+ South West Electrified Heavy Railway Order - Hazelhatch & Celbridge Station to Heuston Station, and Hesuton Station to Glasnevin  
County Dublin and County Kildare

Dear Sir / Madam,

An Bord Pleanála has received your recent submission in relation to the above-mentioned proposed Railway Order and will take it into consideration in its determination of the matter.

The Board will revert to you in due course with regard to the matter.

Please be advised that copies of all submissions/observations received in relation to the application will be made available for public inspection at the offices of the relevant County Council(s) and at the offices of An Bord Pleanála when they have been processed by the Board.

More detailed information in relation to strategic infrastructure development can be viewed on the Board's website: [www.pleanala.ie](http://www.pleanala.ie).

If you have any queries in the meantime, please contact the undersigned. Please quote the above mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

**Subject:** DART & South West Project

Dear Sir

I am a resident of Seven Oaks Apartments (details below) and have received literature by post in relation to the DART & South West Project.

Deborah Sullivan  
117D Seven Oaks  
Sarsfield Road  
Dublin 10  
D10 X098  
[REDACTED]

I would like to make the following submission in relation to the construction of the additional train lines and increasing of the train services when construction is completed.

Due to the fact that I work from home 3 to 4 days a week and a lot of my work is online training to companies all over Europe I would like to submit a request for noise cancelling windows and patio door for my apartment. Once I am conducting a training course online I need to be able to do so without noise interruption as this would unprofessional and also would impact my colleagues / students ability to complete the training courses properly.

Also if there are works being carried out at night this would interfere with sleeping, which in turn would impact on my ongoing daily life. When work is carried out at night presently I have been woken by the operating of the machines.

Kind Regards

Deborah Sullivan
