Subject: Railway Works Developments Seven Oaks

My name is Karen Lynch. Myself and my husband (Paddy Lynch) are the owners of apartment 168, block e, seven oaks, sarsfield road, ballyfermot. Our apartment directly looks out on the train tracks behind our premises.

We are very worried and deeply concerned about the noise level during the construction of the new dart lines. At present, when renovation works are going on at night time, they are very loud and do interrupt us during the night. So, we can only presume that this will be a greater noise level situation and going on for a longer time.

We are under the conclusion that this will 100% impact our apartment and would like to get our windows and patio doors replaced to lessen the impact of the noise while this is going on at the very least.

Yours sincerely

Karen Lynch
