Re: DART+ South West Electrified Heavy Railway Order - Hazelhatch & Celbridge Station to Heuston
Station, and Hesuton Station to Glasnevin
County Dublin and County Kildare

Dear Sir / Madam,

An Bord Pleanála has received your recent submission in relation to the above-mentioned proposed
Railway Order and will take it into consideration in its determination of the matter.

The Board will revert to you in due course with regard to the matter.

Please be advised that copies of all submissions/observations received in relation to the application will be
made available for public inspection at the offices of the relevant County Council(s) and at the offices of An
Bord Pleanála when they have been processed by the Board.

More detailed information in relation to strategic infrastructure development can be viewed on the Board's
website: www.pleanala.ie.

If you have any queries in the meantime, please contact the undersigned. Please quote the above
mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the
Board.

Yours faithfully,

PP EM

1

359 Kylemore has 2 adult occupannts including myself. 355 Kylemore has 3 adult occupants & a baby now aged one.

1. Concerns regarding structure of my home including front and back gardens/shed, patio & driveway during works.

2. Noise disturbance when working from home/sleep-rest disturbance at all other times, windows/patio doors in house will have to be closed due to dust and debris during works-therefore effecting ventilation during summer months when temperatures are normally higher.

3. Driveway access-will we be able to park our car in our existing driveway? My son is a mechanic and has large heavy tools which he has to take to/from his car everyday. Will there be a secure alternative parking option given to him if we cannot access our existing sideway?

4. Privacy to front of house during works.

5. How will this effect bin collections, deliveries, utility providers, tradesmen being able to access our property for any maintenance work etc?
Where can they park?

6. I have concerns about how the works, in particular the vibrations and noise will effect our dog who is normally in our back garden while we are at work mon-fri.

7. Pest control during works-the control of infestation of rodents.

8. Will we lose access to water, gas, electricity & wifi during works.

9. Effect if the appearance of the front of my house, regarding dust/dirt on paintwork, windows & doors.
