Memorandum ABP Ref: 316178-23

To: Una Crosse, ADP
From: Alaine Clarke, Senior Planning Inspector
Re: Proposed development of Oweninny Windfarm Phase 3 consisting of 18 no. wind turbines within the townlands of Laghtanvack, Croaghaun (also known as Croaghaun West), Moneynieran, Corvoderry, Shanvolahan, Dooleg More, Shranakilly, Bellacorrick and Shanvodinnaun, Co. Mayo.
Date: 10th October 2024

1.0 Purpose

This Memo arises as I am to advise if comments are to be requested from the applicant regarding submissions received in November 2023 and in May & June 2024. These submissions were circulated to the applicant on 9th October 2024.

Please note, we have previously sought comments from the applicant relating to the first tranche of submissions received in April, May & June 2023.

2.0 Submissions Received (April, May & June 2023):

By way of background these submissions were received in the first tranche of submissions.

Prescribed Bodies	Public
Mayo County	Eileen, Alan, Patrick, Shane, Gabriella and Caitlin Mullarkey:

IFI	Gerard, Josephine and James Gallagher
Department of Defence	Hugh Broderick
DHLG & H	John G. Senior, Bridget, John G. Junior & Jillian Moyles
Northern & Western Regional Assembly	Martin, John and Patricia Cosgrave
EPA	Peter Sweetman and Associates
TII	Rob Deane

In June 2023, the Board circulated the submissions in respect of the proposed development to the applicant. A response was invited and subsequently received in July 2023. The applicant's response to the submissions was subsequently circulated to interested parties, and comments invited. 5 no. submissions were received.

Submissions Received (November 2023):

Prescribed Bodies	Public
TII	Gerard, Josephine and James Gallagher
	Hugh Broderick
	John G. Senior, Bridget, John G. Junior & Jillian Moyles
	Rob Deane

3.0 Further Information

Further information on the application was requested by the Board on 24th January 2024. Following a request for additional time, a response from the applicant was received on 20th March 2024. The Board considered that the additional information was significant, and the applicant was requested to publish revised public notices inviting submissions in relation to the additional information. 3 no. submissions were received.

Submissions Received (May, June 2024):

Prescribed Bodies	
TII	IAA
DHLG & H	

4.0 Need for Further Comments:

Following my assessment of submissions received in November 2023 and May & June 2024 I am satisfied that no new issues are raised which warrant further comments from the applicant, furthermore, I am satisfied that the matters raised can be adequately addressed having regard to the information already on the file, including the response to the request for additional information submitted by the applicant.
