Hi Christine,

Many thanks for sending on these extra submissions.

Can you confirm what the date for responding to these might be? If possible, we would like to request that we would have until the 12th September to respond to all of the submissions, as we received the final two on the 15th August (i.e. extending the 7th September deadline to allow 4 no. weeks).

We would appreciate if you could confirm the above.

Kind regards,

John
