Re: Bord Na Mona Proposed further developments to the existing Drehid Waste Management

Facility in its landholdings located within the townlands of Timahoe West, Coolcarrigan,
Killings Upper, Killinagh Lower, Drummond, Drehid, Kilkeaskin, Loughnacush and
Parsons town, Co. Kildare.

Dear Sir/Madam

I wish to object strongly to an increase of waste or any type of extension to the Drehid

Waste Facility.

The previous inspectors report cited the road infrastructure could not take increased HGV traffic.

Apart from this a Dump attracts vermin, emits appalling smells for the whole area. The idea of hauling waste around the country creates more pollution Co2 emissions etc.

accidents have happened previously with haulage to this facility.

BNM in recent advertising for some of its entities had been using the slogan.....MORE MORE MORE!

It seems this is what the company wants, MORE WASTE when we are living in times where decreasing should be a solution to pollution and waste.

BORD NA MONA should examine its policies and would be better off

promoting LESS WASTE.

They should be leaders in decrease of waste instead of wanting to increase facilities for waste.

And of course why wouldn't they as they would make more money on the back of pollution.

I urge An Bord Pleanala to reject in its entirety this planning application.

Kind Regards
Sheila O'Brien
