*RE: Proposed windfarm development including 13 no. wind turbines in Bunnyconnellan, Co. Mayo and hydrogen plant in Castleconnor, Co. Sligo. Case number 317560-23*

I have turbary rights on Kilbride Bog.

I am very concerned that my right of access to my bog will be impinged during the construction phase of the wind farm.

The hard stand for T4 will cross the access road and it is not clear if it will be ok to drive over it with a tractor and trailer, or if the turf cutting machinery will be able to drive over it, following completion.

I have not been consulted about the windfarm or how it might affect my right to cut turf.

Signed Michael Reardon
