Submission from Lisa and Noel Ruane Carraun, Corballa, Co Sligo.

RE: Proposed windfarm development including 13.no wind turbines in Bonnicolon, Co. Mayo and Hydrogen Plant in Castleconner, Co. Sligo.

We wish to make the following points in relation to case number ABP-317560-23.

**Traffic**

We are greatly concerned of all the traffic that will be travelling by our house each day. These roads are not suitable for the amount of HGV's that will be on them.

**Landowner consents**

We are not satisfied that the recently submitted 'Property Overview Document' covers all consents.

**Water**

With all the water the Hydrogen Plant will be using there is a concern for our local wells and rivers.

**Hydrogen Plant**

We feel the plans for location of this plant are not appropriate and too close to our family home. We also feel the size of the windmills are extremely high.

Kind regards,  
Lisa and Noel Ruane.
