**Re: Busconnects Kimmage to city centre core bus corridor scheme  
Kimmage, Dublin**

Dear Sir / Madam,

An Bord Pleanála has received the updated copies of Volume 4, Part 1 of the EIAR in relation to the above mentioned case. These updated documents will be added to the Board's files to replace the copies originally submitted with this application.

If you have any queries in relation to the matter, please contact the undersigned officer of the Board at [laps@pleanala.ie](mailto:laps@pleanala.ie)

Please quote the above-mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Eimear Reilly  
Executive Officer

23rd October 2023

**ABP REF 317660-23: Application under Section 51 of the Roads Act 1993, as amended, for approval of the KIMMAGE TO CITY CENTRE CORE BUS CORRIDOR SCHEME**

**ABP REF 317682-23: Application for confirmation of the KIMMAGE TO CITY CENTRE CORE BUS CORRIDOR SCHEME COMPULSORY PURCHASE ORDER 2023**

Dear Sir/Madam,

Further to our application for approval under section 51(2) of the Roads Act 1993 (as amended) to An Bord Pleanála for approval in relation to a proposed road development consisting of the construction of the Kimmage to City Centre Core Bus Corridor Scheme on the 25th July 2023, it has come to the National Transport Authority's attention that, due to an administrative discrepancy, the Junction Design Report (Appendix 2) was omitted from the Transport Impact Assessment Report Appendix (Appendix A6.1) contained within Volume 4 Appendices to the hard copy of the Environmental Impact Assessment Report (the "EIAR") supplied to An Bord Pleanála on the 25th July 2023.

The Junction Design Report was included at Appendix 2 of Appendix A6.1 in the electronic copies of the EIAR supplied to An Bord Pleanála on the 25th July 2023 and the Junction Design Report was separately included elsewhere in the EIAR at Appendix A6.3 to both the electronic and the hard copies of the EIAR supplied to An Bord Pleanála on the 25th July 2023.

However, we now enclose two hard copies of Volume 4 Part 1 of the EIAR which now contains the Junction Design Report at Appendix 2 of Appendix A6.1. These hard copies of Volume 4 Part 1 should replace the previous hard copies of Volume 4 Part 1 submitted to An Bord Pleanála on 25th July 2023.

In order to ensure full and effective public participation, the National Transport Authority intends to provide a further period of time for inspection and for the making of submissions/observations beyond 7th November 2023 to 8th December 2023 and a newspaper notice will be published on 26th October 2023 notifying the public of that extension. Copies of said newspaper notice will be provided to you thereafter for your records.

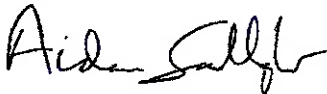

We are also intending to provide a similar extension for the making of objections relating to the Kimmage to City Centre Core Bus Corridor Scheme Compulsory Purchase Order 2023 and copies of the newspaper notice in that regard will also be provided to you for your records.

All of the documentation can also be accessed on the National Transport Authority's stand-alone dedicated website for the Kimmage to City Centre Core Bus Corridor Scheme, at [www.kimmagescheme.ie](http://www.kimmagescheme.ie).

Should you have any queries in relation to the enclosed documentation, please contact:
