Subject: Kimmage to City Centre Section 51 electronic files replacement

Dear Sir/Madam,

Following on from my phone call to Shaun McGee today in regarding our application for approval under section 51(2) of the Roads Act 1993 (as amended) to An Bord Pleanála for approval in relation to a proposed road development consisting of the construction of the Kimmage to City Centre Core Bus Corridor Scheme. The application was made to An Bord Pleanála on the 25th July 2023, it has come to the National Transport Authority's attention that, due to an administrative discrepancy, the following formatting issues and / or incorrect information were contained in the electronic copy of the following parts of the Environmental Impact Assessment Report.

- EIAR Volume 1:
 - Preface – incorrect date specified; and
 - Non-Technical Summary (NTS) – incorrect date specified.
- EIAR Volume 2:
 - Chapter 11 (Human Health) – malfunctioning cross-references;
 - Chapter 21 (Cumulative Impacts) – malfunctioning cross-references; and
 - Chapter 11 (Mitigation) – malfunctioning cross-references;
- EIAR Volume 3:
 - Chapter 6 (Traffic and Transport) Figure 6.1 to 6.16 – incorrect information shown.
- EIAR Volume 4:
 - Appendix A9.1 – formatting errors; and
 - Appendix A15.3 – formatting errors.

These discrepancies are now being rectified in the electronic copy of the EIAR and we will supply two replacement USBs tomorrow AM (27th) to replace the two USBs supplied to you on the 25th July 2023. A cover letter will also be submitted with the USBs. I apologies for the inconvenience.

Please note that these discrepancies did not appear in the two hard copies of the EIAR which were provided to you on the 25th July 2023.

Should you have any queries in relation to the enclosed documentation, please contact:

Kind Regards

Colm
