Dear Sir / Madam,

I have been asked by the Board to refer to the above-mentioned case and in particular, to the Board's notice to you under section 126 of the Planning and Development Act 2000, in which it was indicated that the Board intended to determine this case before 6th March 2024.

I regret to inform you that, the Board will not now be in a position to determine the case before that date due to a continuing significant backlog of cases at board level. This backlog has arisen in the context of reduced capacity at Board level in the first half of 2023 due to a turnover of board personnel in that period. Capacity at board level has since been restored by appointment of new board members and the Board is now addressing the existing backlog of cases.

This case will be determined as soon as practicable.

The delay in determining the case is regretted.

Yours faithfully,

James Sweeney
