Hi All,

The email below is noted. Satisfied on the basis of the points made not to facilitate an extension of time in this instance.

Such a request should have been made at the earliest opportunity for administrative reasons and to ensure fairness to all observers.

All the best,

Tomás

Hi Breda/Thomas,

After further considerations, and having regard to the fact that

- (a) The request by Cllr Jim Gildea was made so late into the period for which submissions are permitted.
- (b) It may be too late for other 3rd parties to avail of the extension of 1 week, particularly those that may have send submissions by post today (Friday 12th July), and the final date for submissions is 5.30pm on Monday July 15th,
- (c) The fact that the 3rd party appellants were given a total of 31 days to lodge submissions with the Board.
- (d) The onus on the Board to ensure that the application is dealt with as expeditiously as possible.

I would advise that an extension of time to Cllr Jim Gildea on behalf of the Tidy Town Committee not be acceded to in this occasion.
