Afternoon Niamh,

I trust you are well.

By way of update, since our last discussion we have held a positive meeting with the HSA and the COMAH land use planning assessment has been updated and issued to the HSA for review. However, the HSA will not be able to review and provide any comments on the revised assessment before Monday therefore would it be possible to agree a further extension of time until 15th March?

Kind regards,
Sean

By way of update, we are currently trying to arrange a meeting with the HSA however due to workload they have been unable to provide us with an appropriate time this week therefore, would it be possible to request a further extension of time until 4th March?

Afternoon Niamh,

Further to our call this morning, I am emailing in regard to the attached letter received from An Bord Pleanála last week in relation to the submission from the HSA.

By way of update, we are continuing to liaise with the HSA in order to address their queries, however we would like to request a 2-week extension until 19th February 2024 as this would provide us with a suitable timeframe to respond appropriately.

I would be grateful if you could confirm if this extension would be acceptable.

Please let me know if you have any queries.

Kind regards,

Sean
