ABP Reference: ABP-317810-23

Dear Sir / Madam,

**RE: Open cycle gas turbine power plant and associated infrastructure
Land to the north of Tynagh Power Station, Derryfrench, Tynagh, Loughrea, Co. Galway
Response to the Further Information**

On behalf of the Applicant, EP Energy Developments Ltd.¹, we wish to respond to the further information request concerning the submission made by the Health and Safety Authority (HSA) to this application, as notified by your letter dated 16th January 2024² (copy attached).

The Land Use Planning Assessment has been updated to respond directly to the queries raised by the HSA. The results of the risk assessment show how the proposed development compares with the HSA's criteria for risk. Based on these findings, the proposed development satisfies the risk-based criteria that are set out in the HSA's land use planning guidance.

Please do not hesitate to contact the undersigned in the event of any queries.

Yours sincerely,

Sean Breslin
Senior Consultant
