**Re:** To consist of: (1) the reconfiguration and expansion of the 2-storey US Customs and Border protection (CBP) pre-clearance facility and (2) the partial demolition, refurbishment and upgrade of the 2-storey former flight catering building, to become the South Apron Support Centre (SASC), which, together with its external hardstanding area to the north-west of the SASC, is to be used initially as a temporary construction compound for the proposed works to the CBP facility and then for continued use as an airport operational building for airside support/operations.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above appeal.

It is a statutory objective of the Board to ensure that every appeal received is determined within eighteen weeks beginning on the date of receipt of that appeal. This is in accordance with section 126(2)(a) of the Planning and Development Act, 2000, (as amended). Where it appears to the Board that it would not be possible or appropriate to determine a particular appeal within this period, a notice must be sent to the parties in accordance with section 126(3)(a) of the Act.

The Board hereby serves notice under section 126(3)(a) that it will not be possible to determine the case within the statutory objective period due to a current significant backlog of cases at board level. This backlog has arisen in the context of reduced capacity at Board level in the first half of 2023 due to a turnover of board personnel in that period. Capacity at board level has since been restored by appointment of new board members and the Board is now addressing the existing backlog of cases. The Board regrets the delays in determining cases .

The Board now intends to determine the above appeal before **21st March, 2024**.

**Please note that the provisions of section 251 of the Planning and Development Act 2000 (as amended) have been taken into consideration when determining the new decide by date.**
