REQUEST FOR EXTENSION OF TIME TO RESPOND TO REQUEST FOR FURTHER INFORMATION

Dear Ms Thornton

We refer to the above Scheme and in particular to An Bord Pleanála's (the "Board") letters dated 6 December 2023 and 19 January 2024 where in accordance with section 217B(4)(a) of the Planning and Development Act 2000 (as amended), the Board requires Galway County Council to submit further information to it, being:-

1. to update the Motorway Scheme and the proposed road development;
2. make submissions on the most recent Climate Action Plan and the implications of the Galway City Development Plan 2023-2029;
3. update the EIAR; and,
4. update (i) the AA Screening Report and (ii) the NIS.

The Board asked for a response from Galway County Council giving a general approach to the timelines involved in the above matters. In that regard, Galway County Council wrote to the Board on 20 December 2024 and indicated that it believed that it would be in a position to provide the above further information on or before 20 September 2024 but that Galway County Council would advise the Board if there was any change to that timeline.

While significant work has been done in relation to compiling this further information including an update to the EIAR, AA Screening Report and NIS, as these are substantial documents to update unfortunately Galway County Council is writing to the Board, as it said to would, to advise that it will not now be possible to meet this 20 September 2024 date and in that regard Galway County Council is now formally requesting an extension of time to respond to this request for further information to 17 January 2025.

Galway County Council would be very grateful if the Board would grant this extension.

Yours faithfully
