This remitted application was considered at a Board meeting held on the 10/11/2023

The Board noted the terms of the High Court Orders perfected on the 9th February, 2023.

The Board decided that the following steps be taken in relation to the remitted application:

1. The Applicant shall be invited under section 217B(4) of the Act to update their application, given the passage of time since the application was lodged and the decision made. The Applicant shall be invited to make submissions on the most recent Climate Action Plan and the implications of the new Galway City Development Plan and invited to update their EIAR and AA Screening/NIS documents including updated site conservation objectives. Given the overlap of this case with ABP-302885-18, a single request for further information shall issue in respect of both cases. Copies of the High Court Orders to be attached to this letter.
2. All other participants shall be notified of the High Court Order remitting this case back to the Board for a fresh determination and advised that they will be given an opportunity to respond to any further information submitted by the Applicant. Copies of the High Court Orders to be enclosed.
3. Upon completion of the above process, file to be referred back to the Board with any responses to the said notice, for further consideration of the case, including

circulation of any additional information, the need for new notices and allocation to Inspector to carry out a supplementary report on the remitted application.
