From: Daniel O' Connor, Executive Officer

Re: Construction of five wind turbines, meteorological mast, electricity sub station and associated site works. The application is accompanied by a Planning Report, Environmental Impact Assessment Report and a Natura Impact Statement. Bilboa Wind Farm, land at Boolyvannanan and Coolnakisha, Bilboa, County Carlow.

Date: 2nd September 2024

On the 23rd October 2023, the Board received a third party appeal from Justin and Susan Hayden & Mary Farrell against Carlow County Council's decision reg.ref: 22340 to grant permission with conditions of the above proposed development.

This appeal was circulated to the planning authority and the applicant's agent Arcus Consultancy Services Ltd. on the 24th October 2023.

This agent no longer represented the applicant at the time the appeal was made, therefore the applicant didn't receive notification of the appeal.

The agent representing the applicant currently is ERM Consultants, as confirmed with the planning authority.

In the interests of fairness, I recommend the appeal be circulated to the applicant's agent, ERM Consultants.

File herewith for comments.

Mr. O' Connor,

Please re-issue appeal to Applicant
via correct updated Agent.
