Inspector's Report Ref. ABP-313424-22

To: Brid Maxwell
From: Una Crosse, Assistant Director of Planning.
Re: Report Ref. ABP-318295-23.
Date: 24th September, 2024.

Brid

Since your report was discharged on 28 June 2024, it has been brought to the Boards attention that a third party appeal received was sent to an agent who no longer represented the applicant and the applicant was not in a position to respond to the grounds of appeal. The appeal was circulated to the applicant and a response has been received (dated 12 September 2024).

You are therefore requested to prepare an addendum report on this case at your earliest convenience which addresses the submission received.
