ABP-318302-23

This case was considered at a Board meeting held on the 14/02/2024.

The Board considered the additional information received from the applicant on the 19/01/2024 did not contain significant additional information on the effect of the proposed development on the environment to that already submitted and decided that a public notice would not be required under Section 37F(2) of the Planning and Development Act 2000, as amended.

This further information should be circulated as per the Board's earlier Direction dated the 23rd November 2023.
