Submission Petitioner Record

I, Therese Casey, Of Faha Bridge, Kilmacthomas, Co. Waterford

Confirm that I am against the development of the proposed Coumnagappul Wind farm in the townlands of Bleantasourmountain, Carrigbrack, Clooncogaile, Coumnagappul, Glennaneanemountain, Kilkeany, Kilkeany Mountain, Knocavanniamountain and Reanadampaun Commons, Ballymacmague North, Ballymacmague South, Colligan More, Colliganwood, Eaglehill, Garryclone, Garryduff, Kilcooney, Killadangan, Knockacaharna, Knockboy, Lackandarra Upper and Tinalira Co. Waterford., Co. Waterford.

The project is currently lodged with An Bord Pleanála by Fehily Timoney and company consultants on behalf of the Wind farm developer Coumnagappul Wind farm Limited , under Bord Pleanála Case reference: 318446.

I am lodging my objection as part of this overall submission provided by the Comeragh Wind.

We are surrounded by beautiful scenery and a growing tourism industry I cannot fathom the logic of building a wind farm in such a scenic landscape with all the wildlife around the area.

Why did we build a greenway and then plan to put wind turbines in view?

Also, from a wellness and getting back to nature why would you put such large turbines in a beautiful area.

Build in areas where we don't have such scenic beauty.

Aware Protection Group.
