Good morning Mr Barrett,

I am emailing on behalf of the recent application submitted to An Bord Pleanála.

I notice in the Application form, Appendix G there is a list of prescribed bodies and a sample letter which they have received. The Board will need to be furnished with a copy of each letter individually addressed to the prescribed bodies. These letters will also need to be uploaded to the stand-alone website for this case.

Thank you for your cooperation.

Kindest Regards,

Lauren
