## Memorandum ABP-318540-23

---

**To:** Stephen Kay, ADP  
**From:** Lauren Murphy, Executive Officer  
**Re:** 10-year planning permission for the proposed Open Cycle Gas Turbine (OCGT) power plant fuelled by Hydrotreated Vegetable Oil (HVO) and associated site works at Tarbert Island, Tarbert, Co. Kerry.  
**Date:** 19/12/2023

---

An application in relation to the above-mentioned development was submitted to the Board under section 37E of the Planning and development Act, 2000 as amended.

The application relates to development for the purposes of an activity requiring a licence from the EPA.

A copy of the application has been forwarded by the applicant to the EPA and the Health and Safety Authority.

In his regard the Board is also required to consult with the HSA and the EPA. A letter has been issued to the Health and Safety Authority seeking their comments on the application. A letter to the EPA has also been prepared and is attached to the cover of the file for inspector's input.
