Dear Sir / Madam,

In accordance with section 221(2)(a) of the Planning and Development Act 2000, as amended, it is a statutory objective of the Board to ensure that every proposed road development approval application received is determined within a period of 18 weeks, beginning on the last date for making submissions.

Where it appears to the Board that it would not be possible or appropriate to determine a particular application within this period, a notice must be sent to the road authority and persons who made submissions on the proposed road development, in accordance with section 221(3)(a) of the 2000 Act.

The Board hereby serves notice under section 221(3)(a) of the 2000 Act, that it appears to the Board that it would not be possible/appropriate to determine the above application within the period of 18 weeks (i.e. by 20th June 2024) due to a current significant backlog of cases. The Board regrets the delay in determining this case.

The Board intends to determine this application before 18th October 2024. The Board will take all such steps as are open to it to ensure that the matter is determined before that date.

Dear Sir / Madam,

In accordance with section 221(2)(a) of the Planning and Development Act 2000, as amended, it is a statutory objective of the Board to ensure that every proposed road development approval application received is determined within a period of 18 weeks, beginning on the last date for making submissions.

Where it appears to the Board that it would not be possible or appropriate to determine a particular application within this period, a notice must be sent to the road authority and persons who made submissions on the proposed road development, in accordance with section 221(3)(a) of the 2000 Act.

The Board hereby serves notice under section 221(3)(a) of the 2000 Act, that it appears to the Board that it would not be possible/appropriate to determine the above application within the period of 18 weeks (i.e. by 20th June 2024) due to a current significant backlog of cases. The Board regrets the delay in determining this case.

The Board intends to determine this application before 18th October 2024. The Board will take all such steps as are open to it to ensure that the matter is determined before that date.
