Memorandum

ABP Ref: ABP-318683-23

To: Alaine Clarke, Senior Planning Inspector

From: Lauren Griffin Executive Officer

Re: Proposed demolition of all existing waste processing buildings on site and construction of a new modernised multi-processing facility at Panda Waste, Ballymount Road Upper, Ballymount, Dublin 24.

Date: 29th May 2024

1. Submissions/observations received from third parties in relation to the application have been circulated to the applicant for information only on the 20th February 2024.
2. Following an assessment of the submissions the **Inspector to advise** the section to request comments from the applicant regarding the submissions/observations . At this juncture the Inspector may also indicate if any further information is required from the applicant or from any other party. Any request for further information to be approved by the ADP.
3. Following receipt of any further information from the applicant, the Inspector to advise if the information is significant. If the further information is deemed to be significant the applicant is required to publish notice of the significant information to enable further submissions/observations to be made on the application.

4. Oral hearing request determination to be made following an assessment of all information received. Oral hearing requests have **not** been received for this development.
5. Record dates and hours details for timesheet for approval by ADP or DOP.
6. Form 6 to be signed following discharge of file.
