Re: Quarry development for rock extraction and associated processing as previously permitted under planning ref. 12/101 (planning ref. 17/383). A time period of 15 years is being sought to allow the previously permitted extraction be completed plus 2 years to complete restoration works (total duration sought 17 years). An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been submitted as part of this application.
Mullymagowan Townland, Stradone, Co. Cavan

Dear Sir / Madam,

An Bord Pleanála has asked me to refer to the documents already received from you in relation to the above-mentioned appeal.

To enable consideration of the appeal to proceed, the following further documentation relevant to the application and to your decision is required:

- **Inland Fisheries Ireland submission dated 04/05/2023 to include email and attached documents**
- **Drawing RFI 2 received on 22/09/2023 (at appropriate scale, on A3 page and in colour)**
- **Environmental Impact Assessment Report submitted with application** (the Board is in receipt of the Non-Technical Summary and the contents page of the EIAR only)

Would you be good enough to have these documents forwarded by return of post please?

Yours faithfully,

A. McNally
