Re: Quarry development for rock extraction and associated processing as previously permitted under planning ref. 12/101 (planning ref. 17/383). A time period of 15 years is being sought to allow the previously permitted extraction be completed plus 2 years to complete restoration works (total duration sought 17 years). An Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS) have been submitted as part of this application.

Dear Sir / Madam,

I have been asked by An Bord Pleanála to refer to the above appeal.

It is a statutory objective of the Board to ensure that every appeal received is determined within eighteen weeks beginning on the date of receipt of that appeal. This is in accordance with section 126(2)(a) of the Planning and Development Act, 2000, as amended. Where it appears to the Board that it would not be possible or appropriate to determine a particular appeal within this period, a notice must be sent to the parties in accordance with section 126(3)(a) of the Act.

The Board hereby serves notice under section 126(3)(a) that it will not be possible to determine the case within the statutory objective period due to a current significant backlog of cases. The Board regrets the delay in determining this case.

The Board now intends to determine the above appeal before **12th September 2024**.

The Board will take all such steps as are open to it to ensure that the appeal is determined before that date.

Yours faithfully,

Patrick Buckley
