RE: Application by Indaver Ireland Ltd – Case Ref ABP-318802-24
Proposed development of a Resource Recover Centre (including waste-to-energy facility) in Ringaskiddy, Co Cork

TO WHOM IT CONCERNS

We the Carrigaline Community Association Ltd formally objects to the proposed Indaver Resource Recovery Centre in Ringaskiddy on numerous grounds including the following;

- Air pollution and the risk to public health.
- Disposal of ash from the centre (Road or shipping)
- Visual Impact to the Lower Harbour – it would change the look of the lower harbour including the historic Martello Tower and it's heritage significance.
- Hazardous waste transport and traffic issues on roads that already carry all the Port of Cork traffic.
- Environmental and climate concerns.

How many times does An Bord Pleanála, courts and the community have to say no.

Yours sincerely
Michael Wall
