Dear Sir,

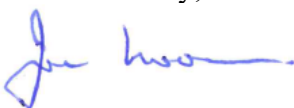

We refer to the response for further information received by the Commission from Indaver Ireland Ltd and the deadline set at the direction of the Commission of 17<sup>th</sup> November 2025 for Submissions.

Our client requests an extension of 21 days beyond that date to allow our clients to secure further advice and to assemble certain essential reports and material from experts, including some attending the COP 2025 Conference in Brazil, who are not in a position to meet the deadline given.

We ask that the Commission please confirm its response to this request by close of business Friday 14<sup>th</sup> November.

Kind regards.

Yours sincerely,
