Dear Sir/Madam,

We would like to make a submission to the Proposed development of a resource recovery centre (including waste to energy facility) in Ringaskiddy County Sork.

WE STRONGLY OBJECT AND STRONGLY OPPOSE TO THE PROPOSED DEVELOPEMNT OF THE RESOURCE REVCOVERY CENTRE INCLUDING (WASTE-TO-ENERGY-FACILITY) BY INDAVER IRELAND LTD.

We feel nothing has changed in our view, we feel as residences in Ringaskiddy we want to live in a safe environment for this and the next generation to come, we have a beautiful harbour village with great protentional for recreation facilities as we are on the doorstep to Spike island and also have fantastic educational facilities and schools in our village but most importantly as residents we need to be able to live our daily lives ie going for walks in Haulbowline and our beautiful beaches.

A number of our objections are :

The site is prone to flooding.

3 of the inspectors have already said the site is not suitable for this proposal.

We would like to request an Oral hearing AGAIN !!!!!

The value of our properties will drop if this facility get the go ahead.

Our Health will be at rise.

WE DO NOT WANT THIS FACILITY IN OUR BEAUTIFUL VILLAGE . A PLACE WE CALL HOME.

Regards,
