Dear Madam/Sir,

With reference to the above SID application (318816) I am writing to confirm that the Board received our letter of 08 March 2024? attached hereto for your perusal.

In the letter we have requested an additional period of 8 no. weeks to make a response to the submissions/observations received on this SID application. To-date we have not received a response to this request and I am conscious that the time, for making the response, originally outlined by the Board in their correspondence on 08 March 2024, was 05 April 2024. With this in mind I would appreciate it if the Board could confirm, by return, that the request for this additional time, has been accepted?

Many thanks.

Regards,
Declan
