**Re: Planning Applications [ref.PA03.319080] for development by Electricity Supply Board  
Moneypoint, Co. Clare**

Dear Sir/Madam,

The Health and Safety Authority (the Authority), acting as the Central Competent Authority under the Chemicals Act (Control of Major Accident Hazards Involving Dangerous Substances) Regulations 2015 (S.I. 209 of 2015), gives technical advice to the planning authority when requested, under regulation 24(2) in relation to:

- (a) the siting and development of new establishments;
- (b) modifications to establishments of the type described in Regulation 12(1);
- (c) new developments including transport routes, locations of public use and residential areas in the vicinity of establishments, where the siting, modifications or developments may be the source of, or increase the risk or consequences of, a major accident.

The Authority currently has insufficient information to provide technical advice on this application, therefore the Authority requests An Bord Pleanála to seek further information in accordance with regulation 24(10) from the applicant in relation to this application as set out below.

***The Authority requests further information in the form of an update to the document titled HFO Project Technical Land Use Planning Report (ref. IE0311713-23-RP-0002, Issue: A) to provide further technical detail on the environmental control measures which will be in place to prevent a major accident to the environment.***

The Authority will be in a position to provide advice to An Bord Pleanála within 4 weeks of receipt of the requested information.

If you have any queries please contact the undersigned.

Yours sincerely
