Memorandum ABP-319216-24

To: Mr. Mark Kielty, SEO

From: Daire Littleton Caden, EO

Re: 10-year planning permission for the development of a wind farm with the construction of 5 wind turbines with max height of 185m, meteorological mast with a height of 114m, an electrical substation and all associated site works. The planning application will be accompanied by an Environmental Impact Assessment Report (EIAR) and Natura Impact Statement (NIS).
Inchnamore, Milleeny, Derreenaling, Co. Cork

Date: 22/04/2024

- A first party appeal against refusal was received on the 6th March 2024 in relation to Cork County Council's reference 235145. The appeal was received before the final date for appeals on the 7th March 2024. The appeal was circulated to Cork County Council on the 7th March 2024.
- The Statutory period for the submission of observations expired on the 2nd April 2024. No observations have been received to date in relation to this appeal.
- A Natura Impact statement (NIS) and an EIAR were submitted to the Planning Authority with this application.
